AMENDMENT UNDER 37 C.F.R. § 1.116

Dear Sir:

In response to the Final Office Action of April 25, 1997, please amend the above-referenced application as follows. It is believed that no new issues are raised herein and reconsideration is respectfully requested.

IN THE CLAIMS

Please amend the Claims as set forth below.

1. (Five Times Amended) A dynamic power management device for supplying power to a solid state memory integrated circuit, said device comprising:
- power control means for supplying a variable voltage to said memory integrated circuit; and
 - logic control means for generating address and control signals for said memory integrated circuit and for controlling said power control means;
